Hi Chris,

Thanks for your email.

Thank you for letting me know specific timings; as long as the teaching doesn't go over the hour as indicated that would be great.

@Daniele copied in for information.

Kind regards,
Gavin

Hi Gavin

Thank you for being so accommodating with this, knowing that we can come to a compromise is a huge weight off my shoulders.

The teaching is 3-4pm today and Friday and is delivered online. With that in mind I think the best idea would be for me to see if I can nab a space in LG or 1st floor of Bramall to deliver the tutorial then head straight on up for the rehearsal.

I hope that seems like a reasonable compromise and look forward to the rehearsal later.

Best wishes
Chris

Hi Chris,

Thanks for your voicemail, which I have just picked up.

It was with regret that the schedule was confirmed as late as it was, so please accept my apologies for that.

Based on your message, I think we'll need to come to a compromise – i.e. you fulfil your teaching and then come along to the rehearsal when you can; I appreciate it is a little late to ask another player to cover your part, particularly for tomorrow.

If we can agree to that I would be most appreciative. With that in mind, could you let me know the exact timings for your availability?

Look forward to seeing you tomorrow – let me know if you have any questions.

Kind regards,
Gavin
